Over the past two weeks, ChewieBacca, one of our testers decided to make a teaser trailer for our followers. This is just but a very small, short, glimpse of what you can expect to see when you play FW:ToW this Spring!

Stay tuned for more updates over the next few weeks! And please, if you haven't already, and you want to support our mod, don't forget to vote for us at the MODDB Mod of the Year Awards!!

As always, any comments, suggestions or questions are welcomed!
